OBJECTIVE

Aspiring Software Developer with a strong foundation in MERN stack development, Java, and Data Structures. Seeking opportunities to leverage my skills in full-stack development and contribute to impactful projects.

EDUCATION

B.Tech in Computer Science Engineering   **2021 − Present**
Rajiv Gandhi University of Knowledge & Technologies, RK Valley   **CGPA: 9.67**

PUC (Pre-University Course)   **2019 − 2021**
Rajiv Gandhi University of Knowledge & Technologies, RK Valley   **CGPA: 9.98**

SKILLS

Programming Languages	Java, JavaScript, Python (Basics)
Frontend Development	HTML, CSS, Bootstrap, Tailwind CSS, React.js
Backend Development	Node.js, Express.js
Databases	MongoDB, SQL
Other Skills	Data Structures and Algorithms, Git, GitHub, VS Code

ACADEMIC PROJECTS

WanderLust   *Deployed Link*
Built an Airbnb-like responsive platform using the MERN stack. Features include user authentication, interactive maps for location-based search, hosting listings, and user reviews.

JobHunt   *Deployed Link*
Developed a MERN-based job portal enabling recruiters to manage job postings and applicants, while students can filter and apply for jobs with real-time status updates.

Trendify
Designed an e-commerce platform with SQL-based backend operations. Features include user accounts, wishlists, carts, dynamic product categories, and admin CRUD operations.

Weather App
Created an API-based weather application fetching real-time weather data for any location, displaying current conditions and forecasts.

POSITION OF RESPONSIBILITY

Student Coordinator, Programming Club of College
Organized coding contests and conducted sessions for over 300 students on Web Development and Data Structures and Algorithms.

Student Coordinator, RGUKT Alumni Association
Managed alumni events and contributed to organizing mentorship sessions for the student community.

ACHIEVEMENTS / HOBBIES

Solved 150+ DSA problems on LeetCode using Java.

Proficient in VS Code, Git, and GitHub.

Active learner with a passion for web development and problem-solving.
